Re: United States v. Oscar Zeledon
S1 11 Cr. 614 (VM)

Dear Honorable Judge,

I am respectfully requesting that my client Oscar Zeledon be sentenced at 9:00 on Friday October 19th. I am doing so because my client has been in custody for an equal amount of time to the high end of the guidelines recommendation and in fact, the probation report's suggested sentence is time served. My client is being held on an immigration detainer and will more than likely be moved to an immigration facility and away from the MCC.

I spoke with Ryan Harris last night and he suggested the above date and AUSA Dan Chung has consented to the first available sentencing date. We anticipate this to be a very short sentencing hearing.

Thank you in advance for your courtesy.

Joseph Ferrante
